

Beautiful walls that
Stays Long...

ABOUT COMPANY

We are one of the leading paint manufacturing units established in 1984 and located at Mumbai, Goregaon (East).

Since our inception in 1984, we have emerged as one of the leading manufacturer of paints and other coatings formulated to protect the substrate and give excellent aesthetic value.

Our experience, dedication and commitment to satisfy our clients with quality products has made us one of the reputed names in the field of Exterior & Interior Decorative Water Base Acrylic Paints, Textures, Industrial Coatings & Ancillaries. We continuously strive in the development of quality & durable products.

WHAT SETS US APART FROM THE REST...

EXPERIENCE

We have been around for over more than two & a half decades and evolved ourselves to meet the needs of the market with our experience & knowledge. This has served us and our clients well and we are able to supply our products to clients all over India.

ECONOMIC PRICING

We have the ability to provide quality & durable paint products at a Cost-Friendly rate.

LARGE RANGE

We are one of the few brands in the market that have a large range to select from in terms of paints, coatings and finishes to match the distinctive need of our clients.

INNOVATION

We are constantly upgrading our products & innovating new products as per the upcoming market trends.
